Since 2008 Law Office RGW has provided those most in need with legal aid free of charge under Pro Bono Program.

We assume that service to those who have to cope with difficult circumstances in their lives and are not able to cover costs of professional legal aid is one of the tasks of every lawyer.

During these 7 years of Pro Bono Program our lawyers helped many people in solving their legal problems which, at first sight, seemed to be unsolvable.

More information about rules concerning applying for Pro Bono Program and considering applications as well as application forms can be found [here](#).
