From 4th to 8th May 2016, partners in the Law Office attended

another conference of the Network of Law Firms CONSULEGIS. This time, representatives of member firms met in Milan – the capital of fashion, design, business and soccer.

Members of CONSULEGIS had an opportunity to attend lectures, meetings of working groups dedicated to various fields of law, and behind the scenes to establish and strengthen contacts with lawyers from other countries.

One of the items on the agenda was the general meeting of CONSULEGIS members during which, among other things, the Code of Conduct was adopted. The document contains a number of guidelines on the rules of conduct in relations of the member firms with CONSULEGIS, with other member firms and with clients.

The member firms of CONSULEGIS guarantee their clients professional service and involvement in the cases handled, provide extensive legal assistance and support required in a given case.
